

Quince Program for Cruises

Duration: 6-8 days

Rehearsals

- There are three (3) rehearsal sessions that will take place in Miami a few days before the trip.
- One (1) rehearsal will take place the first trip day in the Cruise Theater.
- At the rehearsals, each girl and her partner practice the steps to a choreographed waltz. The girls then practice for their own surprise dance routine to be performed for their parents and friends at the Grand Gala.
- At the final practice each girl is given a stylish Travel Angels t-shirt to wear on board the ship the first day.

On Board

- There are three (3) private events included in the Quince package.
- These events include: a "Welcome Party", a "Gala Party", and a "Farewell Party".
- "The Welcome Party" will be themed as "Wacky Glasses". This party consists of everyone to bring crazy and decorated sunglasses. There will be a contest and the person with the most creative sunglasses will receive a prize. Same goes for the Farewell Party.
- "The Farewell Party" is themed to the debutants' choice. Everyone in the group is welcome to participate.

The Gala Party & Captains Cocktail

- This is a formal event and proper attire is required.
- Debutant may wear a long gown of any style. It could be any color.
- The "Gala" commences in the theater of the ship where the girls are introduced to their families and friends and they dance the choreographed waltz with their partners. The waltz is followed by the surprise group performance of the debutants.
- Then we continue with an after party where we will have the toast and the candle ceremony.
- Later, only the Debutants get a tour throughout the ship with the video production team filming them with their Quince Gowns.
- After, the debutants, their family, and friends are invited to a Cocktail with the Captain.
- There will also be another presentation at the dining room.
- As a keep-sake, Travel Angels gives each girl a champagne flute and one of the candles that are used for the Gala Party.
